Kazanlak

Languages

Native language: Bulgarian

English: Comprehension (Fluent), Speaking (Fluent), Writing (Fluent)

Computer Skills

Proficient in object-oriented programming languages such as Java and C#, with experience developing applications using Spring Boot framework.

Experience designing responsive user interfaces with HTML, CSS, and JavaScript. Familiarity with relational databases like Microsoft SQL Server, as well as proficiency in SQL syntax.

Comfortable working with version control systems like Git.

Skills

Good problem-solving and analytical abilities.

Good communication and teamwork skills, gained through group projects in university and school.

Passionate about learning new technologies and keeping up-to-date with industry trends.

Detail-oriented with strong organizational and time-management skills.

In addition to my technical abilities, I am also committed to personal growth and continuous learning. In my free time, I enjoy reading books as well as maintaining a regular fitness routine.
